MEET YOUR AAA HOSTS

Kitty and Hop Hopkins – Cruising through the Panama Canal is a favorite of this

AAA travel host couple. Join them and they'll show you all you need to know about sailing through one of the world's most beautiful man-made wonders.

What a magnificent way to spend 20 days in autumn – sailing directly from Seattle down the West Coast to transit the amazing Panama Canal. Set sail on the spacious *ms Noordam* to spend a day in Los Angeles. Then visit Mexico, Guatemala and Costa Rica before entering the Panama Canal. You'll enter the Canal at Balboa, transit its locks and lakes, and exit at Cristóbal, undoubtedly in awe of the massive effort put forth by so many people who worked together to make this continental transit possible. After experiencing the beauty of this man-made wonder, you'll be treated to even more stunning scenery in Aruba and Holland America's private island of Half Moon Cay in the Bahamas. Your cruise will come to an end in the exciting city of New York.
